RELEASE AND ASSIGNMENT

WORK DESCRIPTION: All source code and any other material that falls into any of the following categories:

- a) committed by Assignor to an official Gentoo source code repository using a version control system such as CVS, SubVersion or similar software;
- b) submitted to submissions@gentoo.org by the Assignor;
- c) submitted to a Gentoo bug tracker by the Assignor.

Formal ownership of Gentoo Linux by a single entity will enable the necessary steps to be taken to ensure that all distributors of derivative works will abide by the GNU General Public License and the Creative Commons Attribution-ShareAlike License under which Gentoo Linux is distributed.

By accepting this Release and Assignment, Gentoo Technologies, Inc. ("Gentoo", including its successors and assignees) agrees that Gentoo Linux software will never be distributed under any license agreement materially different from an applicable version of the GNU General Public License, and that Gentoo Linux documentation will never be distributed under any license agreement materially different from an applicable version of the Creative Commons Attribution-ShareAlike License.

However, Gentoo reserves the right to license Gentoo trademarks, including the Gentoo logo, and the Gentoo website look-and-feel under different terms and conditions.

Therefore, and in exchange for recognition at <http://www.gentoo.org> of his or her contribution to the source code and/or documentation for Gentoo Linux, _____ ("Assignor") hereby releases and assigns to Gentoo all Assignor's copyrights, ownership, and claims for the following items:

source code, object code, screen displays, icons, documentation, user and developers manuals, authoring, editing, sound, photography, graphics, animation, musical composition or arrangement, design, artwork, or layout, including any advertising, brochures, video, photographs, films, or computer media relating to the "Work".

The Assignor hereby warrants that the Assignor's rights in the Work have not been previously assigned, mortgaged or otherwise encumbered, and Assignor has full right, power and authority to assign all such rights to Gentoo.
